

*LESSARD DAYCARE & AFTERSCHOOL CARE*

*PROGRAM PHILOSOPHY*

(Revised September 2016)

*Lessard Daycare & Afterschool Care strive to provide a safe and caring environment to all the children. We understand that each child is unique and deserves an environment that encourages growth in many different ways. Our program will provide opportunities for all levels of development and types of learning through play. We promote independence, creativity, and mutual respect for others.*

*Lessard Daycare & Afterschool Care staff members work together as a close knit team to provide quality child care to our families. We support our families, recognizing that parents are the child's primary caregiver. Safety within the program is of the utmost importance.*
